## 2024 EMPLOYEE OF THE YEAR!

### Congratulations to Leticia Fernandez!

Leticia has demonstrated excellence in every role she's held, earning this well-deserved recognition. She lives our core values daily: she Owns-It with accountability, is Passionate about learning, shows Respect through mentorship, and upholds Honesty in all she does.

Leticia began on the cleaning and maintenance crew but quickly set her sights on becoming a sawyer. With determination and detailed note-taking, she mastered the ALS linear saws and became an expert in calibration. Her commitment earned her a reputation as an outstanding sawyer and trainer—Alpine's tech service team even considers her the best in linear saw calibration.

She's also trained our entire team of operators, including Milagros Estrada, empowering others to succeed. Leticia's dedication, mentorship, and drive for excellence make her an invaluable part of A-1.

We're proud to celebrate her incredible journey and accomplishments.
